Overall Length:

4.000 inches

Overall Height:

2.000 inches

Overall Width:

1.210 inches

Winding Quantity:

1

Coil Quantity:

1

Winding Dc Resistance Rating:

2.000 kilohms single winding

Duty Type:

Continuous

Pile-up Main Contact Form Arrangement:

1b1a1d

Operating Current Rating And Type:

10.0 milliamperes dc single winding

Operating Voltage Rating And Type At Specificationified Temp:

50.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

3.0 amperes dc resistive load

Main Contact Maximum Voltage Rating In Volts:

50.0 dc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
