Overall Length:

5.120 inches

Overall Height:

3.180 inches

Overall Width:

3.620 inches

Winding Quantity:

1

Coil Quantity:

1

Winding Dc Resistance Rating:

110.0 ohms single winding

Criticality Code Justification:

Zzzy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A03300
