Overall Length:

4.870 inches

Overall Height:

2.930 inches

Overall Width:

2.500 inches

Frequency In Hertz:

60.0

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Operating Current Rating And Type:

105.0 milliamperes ac single winding

Operating Voltage Rating And Type At Specificationified Temp:

115.0 volts ac 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

25.0 amperes ac inductive load

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
