Overall Length:

1.030 inches

Overall Height:

0.562 inches

Overall Width:

0.550 inches

Winding Quantity:

1

Coil Quantity:

1

Winding Dc Resistance Rating:

2.5 kilohms single winding

Duty Type:

Continuous

Features Provided:

Polarized

Operating Voltage Rating And Type At Specificationified Temp:

12.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

1.0 milliamperes dc resistive load

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
