**Mounting Material:**

Aluminum

**Mounting Surface Treatment:**

Painted

**Overall Length:**

15.125 inches

**Overall Height:**

3.250 inches

**Overall Width:**

14.875 inches

**Mounting Facility:**

Mounting board

**Mounting Configuration:**

Six twist lock mtg fasteners unequally spaced

**Controlling Agency:**

Army missile command

**Identifying Number:**

7608169 drawing no. And 7698960 drawing no.

**Individual Relay Quantity:**

5

**Relay Type:**

Solenoid

**Special Markings:**

Gs-19583. Mfg serial no., relay assembly 9005386, stamped on flange of mtg board

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T142-b
