2.563 inches

Environmental Protection:

Dustproof

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Operating Current Rating And Type:

73.0 milliamperes dc single winding

Operating Voltage Rating And Type At Specificationified Temp:

24.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

25.0 amperes ac inductive load

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
