Overall Length:

2.938 inches

Overall Height:

2.312 inches

Overall Width:

1.938 inches

Environmental Protection:

Dustproof

Frequency In Hertz:

50.0

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Operating Current Rating And Type:

10.0 amperes ac single winding

Operating Voltage Rating And Type At Specificationified Temp:

230.0 volts ac 25 degrees celsius single winding

Main Contact Maximum Voltage Rating In Volts:

230.0 ac

Terminal Type And Quantity:

2 wire lead contacts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
