Special Features:

4contact data, spdt, normally open, ref dwg group 217, electrical ratings, ac, 250v max, 3 amp resistive current rating, c, 150 v max, 3 amp resistive current rating; heater data, ac, 117 v rating, no w rating, no current rating; terminal data, 2 heater element terminals, 2 terminals for contacts; hermetically sealed; metal case; no compensated ambient temp range rating; rated for actuation time, 20 sec operating time; not rated for release time; o/a dim., excl terminals, 2-1/2 in. Lg, 1-5/16 in. Dia; mts in standard octal socket

Reference Number Differentiating Characteristics:

Metal case

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A50010
