Overall Length:

3.125 inches

Overall Height:

2.812 inches

Overall Width:

2.062 inches

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Operating Current Rating And Type:

700.0 milliamperes dc single winding

Operating Voltage Rating And Type At Specificationified Temp:

28.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

150.0 amperes dc inductive load and 25.0 amperes ac inductive load

Main Contact Maximum Voltage Rating In Volts:

28.0 dc and 115.0 ac

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
