

View Online at <https://aerobasegroup.com/nsn/5945-00-768-2762>

Special Features:

Input voltage 24v dc, 20vdc , 32v dc max, with internal dpdt 10 amp, 120v ac, 60hz resistive relay, resistor adjustable time delay on operate, time delay 60 sec max, minus 40 to plus 55 degrees c operating temp, recycle and release time 60 milliseconds, with polarity protection, 2.375 in. Lg, 1.750 in. W, 4.122 in. H, 8 pin terminals, 1 mtg guide pin, plug in mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A513k0
