Solid State Relay - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5945-00-768-2762

Special Features:

Shelf Life:

Input voltage 24v dc, 20vdc, 32v dc max, with internal dpdt 10 amp, 120v ac, 60hz resistive relay, resistor adjustable time delay on operate
time delay 60 sec max, minus 40 to plus 55 degrees c operating temp, recycle and release time 60 milliseconds, with polarity protection,
2.375 in. Lg, 1.750 in. W, 4.122 in. H, 8 pin terminals, 1 mtg guide pin, plug in mtg

N/a
Unit Of Measure:
Demilitarization:
No

Fiig: A513k0
