NSN 5945-00-782-0670

Electromagnetic Relay - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5945-00-782-0670 **Overall Length:** 3.310 inches **Overall Diameter:** 1.310 inches **Winding Quantity: Coil Quantity:** Winding Dc Resistance Rating: 3.640 kilohms single winding **Duty Type:** Continuous **Mounting Facility Type And Quantity:** 8 plug-in terminal single mounting facility **Features Provided:** Polarized Operating Voltage Rating And Type At Specificationified Temp: 47.0 volts dc 25 degrees celsius single winding Main Contact Load Current Rating At Maximum Rated Voltage: 250.0 milliamperes dc resistive load Main Contact Maximum Voltage Rating In Volts: 110.0 dc Shelf Life: N/a **Unit Of Measure:**

Demilitarization:

No Fiig: A03300
