Overall Length:

1.800 inches

Overall Height:

0.880 inches

Overall Width:

0.390 inches

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Operating Voltage Rating And Type At Specificationified Temp:

28.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

1.00 amperes ac inductive load and 2.00 amperes dc inductive load

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03300
