**Mounting Material:**

Aluminum

**Mounting Surface Treatment:**

Chromate

**Overall Length:**

15.156 inches

**Overall Height:**

7.316 inches

**Overall Width:**

13.438 inches

**Mounting Facility:**

Container

**Mounting Configuration:**

Eight 0.273 in. Diameter mtg holes irregularly spaced

**Controlling Agency:**

Army missile command

**Identifying Number:**

9081617 part no. And 9060225 part no. And 9176146 part no. And 9175872 part no.

**Individual Relay Quantity:**

4

**Relay Type:**

Armature

**Special Markings:**

Warning 416 volts inside stamped on container

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T142-b
