NSN 5945-00-933-2284

Solid State Relay - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5945-00-933-2284

Special Features:

Shelf Life:

A513k0

A1pdt, two coils polarization featured, load rating resistive, 100 milliamperes at 130 vdc polar, 100 milliamperes at 260 vdc neutral, voltage 260 vdc max, contact resistance, open contact resistance 25 megohms min, closed contact resistance 30 ohms maximum at 100 milliamperes, input sensitivity, operating 5 volts maximum output voltage drop with 20 milliamperes input, keying rate continuous dc to 1200 baud max, 1.370 in. Maximum dia, 3.160 in. Maximum lg, standard octal base

N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
