Overall Length:

5.500 inches

Overall Height:

2.830 inches

Overall Width:

2.500 inches

Environmental Protection:

Dustproof

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Continuous

Operating Voltage Rating And Type At Specificationified Temp:

28.0 volts dc 25 degrees celsius single winding

Main Contact Load Current Rating At Maximum Rated Voltage:

10.0 amperes dc resistive load

Main Contact Maximum Voltage Rating In Volts:

28.0 dc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
