**Overall Length:**

5.500 inches

**Overall Height:**

2.830 inches

**Overall Width:**

2.500 inches

**Environmental Protection:**

Dustproof

**Winding Quantity:**

1

**Coil Quantity:**

1

**Duty Type:**

Continuous

**Operating Voltage Rating And Type At Specificationified Temp:**

28.0 volts dc 25 degrees celsius single winding

**Main Contact Load Current Rating At Maximum Rated Voltage:**

10.0 amperes dc resistive load

**Main Contact Maximum Voltage Rating In Volts:**

28.0 dc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03300
