**Overall Length:**

1.656 inches

**Overall Height:**

0.313 inches

**Overall Width:**

0.875 inches

**Unthreaded Mounting Hole Diameter:**

0.164 inches single mounting facility

**Accommodated Item Securing Device Type:**

Friction fastener

**Mounting Facility Type And Quantity:**

1 unthreaded hole single mounting facility

**Material:**

Steel

**Material Specification:**

Qq-s-766, cl 302 federal specification single material response

**Surface Treatment:**

Passivate

**Style Designator:**

Irregular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A062a0
