End Application:

Model 4pdt relay

Special Features:

Four pole, continuous duty, 12 v, dc, 3.400 in.L, 2.660 in.W, 2.720 in.H, no.8-32 screw terminal connections, 3 hole mtg pattern, splash and dust cover required, 4 contacts of silver-cadmium oxide, 25 amp resistive load cap. At 28 v dc, 9 v min coil operating v at 70 degrees f, 16 v maximum continuous coil v at 70 degrees f, 33 ohm nom coil resistance at 70 degrees f, m 67 degrees f to p 131 degrees f operating temp range

Shelf Life:

N/a
