Width:

2.380 inches

Thickness:

0.093 inches

Length:

2.590 inches

Mounting Configuration:

Three no. 6-32 unc-2b threaded holes

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
