Width:

0.250 inches

Thickness:

0.062 inches

Length:

1.000 inches

Mounting Configuration:

Mtd to relay with thd stud

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
