Overall Length:

6.700 inches

Overall Height:

5.800 inches

Overall Width:

2.300 inches

Environmental Protection:

Dustproof

Contact Arrangement:

Single pole, single throw, normally open

Mounting Facility Type And Quantity:

2 unthreaded hole

Contact Maximum Voltage Rating In Volts:

115.0 ac

Special Features:

Two 0.281 in. Diameter mtg holes spaced 5.940 in. C to c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A500I0
