Special Features:

41pstno; input control voltage range 4-10 vdc, output voltage rating 250 vdc; output load current rating 5 amp; transformer isolated; screw terminals; 2.000 in. Lg; 1.000 in. W; 0.960 in. H; one mtg hole centrally located to accept number 6 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513k0
