Overall Length:

3.375 inches

Overall Height:

5.625 inches

Overall Width:

3.000 inches

Mounting Slot Width:

0.219 inches single mounting facility

End Application:

Ship service switchboard

Winding Quantity:

1

Coil Quantity:

1

Duty Type:

Intermittent

Mounting Facility Type And Quantity:

4 slotted hole single mounting facility

Mounting Facility Pattern:

Rectangular single mounting facility

Main Contact Maximum Voltage Rating In Volts:

120.0 ac

Terminal Type And Quantity:

6 screw contacts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
