Special Features:

Input voltage 120v ac , 105v ac minimum, 130v ac , contact rating dpdt 2 amps 120v ac 60 hz. Resistive, release time 45 to 60 milliseconds, fixed time delay on operate, time delay 5 seconds, operating temperature range minus 40 to plus 55 deg.C, less than 2.0 seconds recycle time, with polarity protection, dimensions 2.560 in.Max high, 1.406 in.Max.Wide, 1.406 in.Long, one mounting pin guide, 8 pin terminals

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
