End Application:

6115-01-113-1093

Special Features:

Line voltage 120/208 vac three phase, line frequency 50 hz to 400 hz, contacts single pole double throw, component of generator controls and indicators, tm5-6115-598-24p

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A513k0
