Overall Length:

2.094 inches

Overall Diameter:

0.750 inches

Contact Arrangement:

Single pole, double throw

Mounting Facility Type And Quantity:

9 plug-in

Contact Maximum Voltage Rating In Volts:

117.0 ac

Special Features:

Anot rated for current at maximum voltheater not rated for watt/current; twoheater terminals, 7 terminals for contacts; not rated for ambient operating temp range; dimensions excludeterminals

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500I0
