Overall Length:

1.750 inches

Overall Height:

1.650 inches

Overall Width:

0.765 inches

Environmental Protection:

Humidity resistant

Coil Quantity:

2

Duty Type:

Continuous

Features Provided:

Electrostatic shield

Time Delay:

25.00 seconds fixed operate time

Minimum Differential Electrical Operating Rating:

1500.0 volts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
