Special Features:

9.870 inches height; 4.500 inches wide; 2.500 inches thick; relay used in conjunction with stabilator; dimensioning and tolerancing per ansi y14.5 and hughes drawing number 7-311b25106

Specification Data:

02731-7-311b25106 manufacturers specification

Specification Or Standard:

M type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513k0
