Special Features:

Ereed relay rated 24.0v coil; spstno contacts rated 115.0/230.0v; filtering capacitor rated 35.0vdc; rectifying diode; step down resistor rated 3.9kohm; load resistor rated 18.0kohm; 2 wire lead terminals

Functional Description:

Used as time delay trigger

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
