Overall Length:

4.000 inches

Overall Height:

3.000 inches

Overall Width:

4.000 inches

Special Features:

Dpdt; 208 vac supply voltage; 5 amps resistive at 240 vac; indicator light glows when all conditions are normal; screw terminals;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51310
