**Overall Length:**

1.900 inches

**Overall Height:**

2.975 inches

**Overall Width:**

1.470 inches

**Voltage Rating:**

115.0 volts input

**Criticality Code Justification:**

Zzzy

**Special Features:**

Dpdt; time delay adjustment after energization 0.

**Reference Number Differentiating Characteristics:**

Item must comply with requirements of defense electronic supply center production standard no. L03447

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A51310
