Overall Length:

1.900 inches

Overall Height:

2.975 inches

Overall Width:

1.470 inches

Voltage Rating:

115.0 volts input

Criticality Code Justification:

Zzzy

Special Features:

Dpdt; time delay adjustment after energization 0.

Reference Number Differentiating Characteristics:

Item must comply with requirements of defense electronic supply center production standard no. L03447

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51310
