Hybrid Relay - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5945-01-214-2446

Overall Length:

1.900 inches

Overall Height:

2.975 inches

Overall Width:

1.470 inches

Voltage Rating:

115.0 volts input

Criticality Code Justification:

Zzzy

Special Features:

Dpdt; time delay adjustment after energization 0.

Reference Number Differentiating Characteristics:

Item must complay with requirements of defense electronic supply center production standard no. L03447

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A513l0
