Overall Length:

8.500 inches

Overall Height:

1.468 inches

Overall Width:

2.500 inches

End Application:

1095-01-036-6886

Component Type And Quantity:

30 indicator and 1 printed wiring board and 62 terminal

Special Features:

Component and quantity (1) relay plate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
