NSN 5945-01-230-2104

Electromagnetic Relay - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5945-01-230-2104

Fragility Factor:
Moderately rugged
Winding Quantity:
1
Purpose For Which Designed:
General
Coil Quantity:
1
Storage Type:
General purpose warehouse
Operating Voltage Rating And Type At Specificationified Temp:
Operating Voltage Rating And Type At Specificationified Temp: 120.0 volts ac 25 degrees celsius single winding
120.0 volts ac 25 degrees celsius single winding
120.0 volts ac 25 degrees celsius single winding Shelf Life:
120.0 volts ac 25 degrees celsius single winding Shelf Life: N/a
120.0 volts ac 25 degrees celsius single winding Shelf Life: N/a Unit Of Measure:
120.0 volts ac 25 degrees celsius single winding Shelf Life: N/a Unit Of Measure:
120.0 volts ac 25 degrees celsius single winding Shelf Life: N/a Unit Of Measure: Demilitarization:
