Overall Length:

3.270 inches

Overall Height:

2.230 inches

Overall Width:

3.190 inches

End Application:

Navy equip

Voltage Rating:

115.0 volts operate

Special Features:

Dpdt; contacts rated for 2 amps resistive and 1 amp inductive; 60 hz operating frequency; voltage sense band from 105 vac

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51310
