Overall Length:

3.940 inches

Overall Height:

2.623 inches

Overall Width:

3.670 inches

End Application:

Navy equip

Voltage Rating:

120.0 volts operate

Special Features:

Dpdt; contacts rated for 10 amps resistive and 6 amps inductive; three phase; 60 hz operating frequency; voltage sense ban

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51310
