

View Online at <https://aerobasegroup.com/nsn/5945-01-255-0344>

Special Features:

8 pin plug-in termination; operating temp m40.0 to p85.0 degrees c; length 4.000 in; 2.000 in h; 1.600 in w; 115vac input voltage; p or m 5pct time delay tolerance; time delay 600.0 sec; spdt output form; built-in transient protection; wt 50z; remote control; maximum allowable dc ripple voltage 20 pct p to p

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
