End Application:

Ea6a/b-dcn

Contact Arrangement:

Three pole, double throw

Features Provided:

Hermetically sealed

Extra Long Reference Number:

Pma1623 (100/131)(52/68)(0.5/1.0) 115

Special Features:

Vmoderately rugged item; contact rating: resistive 10 amps ac, inductive 6 amps ac; coil rating 115 vac; 60 hz; 14 solder hook terminals; 4 unthd holes; glass to metal connector; time dela (pickup)250 ms to 10 sec, (dropout) 250 ms to 10 sec

Reference Number Differentiating Characteristics:

As differentiated by extra long reference number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513I0
