**End Application:**

Ea6a/b-dcn

**Contact Arrangement:**

Three pole, double throw

**Features Provided:**

Hermetically sealed

**Extra Long Reference Number:**

Pma1623 (100/131)(52/68)(0.5/1.0) 115

**Special Features:**

Vmoderately rugged item; contact rating: resistive 10 amps ac, inductive 6 amps ac; coil rating 115 vac; 60 hz; 14 solder hook terminals; 4 unthd holes; glass to metal connector; time dela (pickup)250 ms to 10 sec, (dropout) 250 ms to 10 sec

**Reference Number Differentiating Characteristics:**

As differentiated by extra long reference number

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A513I0
