Overall Length:

1.300 inches

Overall Height:

0.520 inches

Overall Width:

0.520 inches

Environmental Protection:

Heat resistant and humidity resistant

Coil Quantity:

1

Duty Type:

Intermittent

Features Provided:

Electrostatic shield and magnetic shield

Nonpile-up Main Contact Arrangement:

3 pole, single throw, both positions maintained

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
