**End Application:**

Uhfc135 group

**Special Features:**

Contact arrangement: spst (n.O); 45-440 hertz; 250 volts ; 25 amps; optically isolated; zero voltage turn on; input voltage: 4.0 to 32.0 vdc; plus or minus 40.0 volts peak ; terminals 4 wire hook; mounting: 3 slotted holes spaced in isosceles triangle; dimensions: length 2.410 inches , width 1.570 inches ; height including terminals 1.845 inches

**Specification Data:**

81349-mil-r-28750/10 government specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A513k0
