Frequency In Hertz:

Winding Quantity:

1
Coil Quantity:

1
Duty Type:
Continuous
Operating Current Rating And Type:

10.0 amperes ac single winding and 5.0 amperes dc single winding
Operating Voltage Rating And Type At Specificationified Temp:
220.0 volts ac 25 degrees celsius single winding
Special Features:
1 early make, 1 late break
Shelf Life:
N/a

Demilitarization:

Unit Of Measure:

No

Fiig:

A03300
