End Application:

Avionics dcns

Special Features:

Contacts: spstno; 300.0 milliamps; input voltage: 18.0 to 31.0 vdc; duty: continuous; reverse polarity protection; time delay: 1.000 sec
porm 10 pct; length: 0.920 in. Max; width: 0.580 in. Max; height: 0.700 in. Max; terminals: 14 pin; mounting: plug-in/terminal

Precious Material And Location:

Pin terminals gold

Specification Data:

81349-mil-r-83726/13 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513k0
