Overall Length:

3.580 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

1.625 inches single mounting facility

Center To Center Distance Between Mounting Facilities Parallel To Width:

1.188 inches single mounting facility

Overall Height:

2.250 inches

Overall Width:

2.250 inches

Unthreaded Mounting Hole Diameter:

0.205 inches single mounting facility

End Application:

1190-01-326-9932

Duty Type:

Continuous

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Mounting Facility Pattern:

Diagonal single mounting facility

Terminal Type And Quantity:

4 screw all functions

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03300
