Overall Length:

3.170 inches

Overall Height:

2.623 inches

Overall Width:

3.940 inches

Operating Temperature Range:

-55.0/+125.0 degrees celsius

End Application:

5895-01-341-9101

Voltage Rating:

115.0 volts operate

Contact Arrangement:

Double pole, double throw

Extra Long Reference Number:

Pma3612 (105.5/127.5)(47/63)(3/3) 115

Terminal Type And Quantity:

14 wire hook

Reference Number Differentiating Characteristics:

As differentiated by extra long reference number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51310
