End Application:

Control panel

Winding Quantity:

1

Coil Quantity:

1

Nonpile-up Main Contact Arrangement:

3 pole, single throw, normally open, double make, momentary action

Operating Voltage Rating And Type At Specificationified Temp:

24.0 volts ac 25 degrees celsius single winding

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03300
