Operating	Tempurature	Range:
-----------	-------------	--------

-55.0/+125.0 degrees celsius

End Application:

Used on cfutth helicopter flight simulator

Voltage Rating:

105.0 volts contact and 125.0 volts contact

Current Rating:

10.00 amperes coil

Time Delay:

1.00 seconds delay

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513I0
