**Environmental Protection:**

Dustproof

**Duty Type:**

Continuous

**Operating Voltage Rating And Type At Specificationified Temp:**

12.0 volts dc 85 degrees celsius single winding

**Main Contact Load Current Rating At Maximum Rated Voltage:**

60.0 amperes dc resistive load

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03300
